

DASHMILE LUBTECH

Product Name:-

4T 20W-40 SN

Product Description:

4T SN 20W-40 is advanced, premium quality engine oil developed for the latest generation 4-Stroke motorcycle engines. 4T SN 20W-40 is designed specifically for bikers who enjoy the exhilaration of riding. It is specially designed to enable your bike to deliver maximum and sustained power right up to very high operating rpm thus offering a significant advantage over other motorcycle engine oils. Ensure efficient transfer of power to the rear wheel.

Application:

4T SN 20W-40 is designed to enhance performance and protection for modern motorcycles where APISN (and below) and JASO MA2 are recommended. Compatible with all BS VI engines.

Specifications:

Meets & exceeds API SN, JASO MA2

Product Benefits:

- Advanced 4-stroke motorcycle engine oil formulation.
- Tested and proven to deliver improved acceleration at the touch of the throttle.
- Flows fast and reduces internal engine losses to friction.
- For better protection of engine, clutch and gears.
